

1. <http://screen.w3.ua/Jul13/LD942421VA2C29203.jpg> use container option and if use condition then container is in if condition here condition is out of container

```
<?php if(has_nav_menu('primary'))
```

```
    wp_nav_menu( array('container_class' => 'nav-holder',
```

```
    'menu_id'=>'nav','theme_location' => 'primary'));?>
```

2.
